Dear Parent/Guardian or Participant,

The volunteers and staff at Saving Grace Therapeutic Programs (SGTP) look forward to having you participate in our programs.
SGTP provides therapeutic equine activities to individuals, families, and groups, with all types of special needs and differing abilities. In order to participate, you must complete the attached application forms and send them in to SGTP. Please note that one of the forms is a physician's form. SGTP requires all applicants with *diagnosed special needs* to obtain a physician's form and statement clearing the participant of any contraindications that might restrict the client's participation in our programs. This packet *must* be completed before the client can *ride* in the program.
*The farm will be required to regretfully decline the client for riding, for the safety of the client, staff, and volunteers if:

- The physician does not clear the client for riding.
- Any form is not completed by the *authorized* individual (i.e. parent, guardian, or physician).
- The student has any condition which could be considered a contraindication (riding would be harmful).
- The instructor finds, that for *any* reason, it would be unsafe for the student, volunteers, staff, and/or horses to accept the client into the program

  ***Please Note**: Students may still be able to participate in ground and classroom activities, even if they are unable to ride. We have many other activities that have a powerful therapeutic effect on individuals. However, if the SGTP staff finds that the client may be a danger to themselves or others while on the premises of the farm, the staff reserves the right to remove the client from ground activities as well. *Any client on the premises of the farm must complete a liability release form.* SGTP reserves the right to decline/remove a client from activities due to safety or behavior at any time during their relationship with SGTP.

Once SGTP has received the application, we will schedule an evaluation with you/the client and then consult with you to determine a lesson time for the student each week. Class times and sizes are limited. If we cannot fit the student into the current schedule, they will be placed on a waiting list and we will contact you as soon as an opening becomes available. We will consider those on the waiting list first when scheduling the next session.

Lessons at SGTP last approximately 30 to 60 minutes and occur in monthly sessions. Sessions are recommended to be two months (8 weeks), with lessons occurring once a week. Lesson Tuition is $320 ($40 per lesson) for clients. Actual cost is approximately $640, however we scholarship the difference. We ask that tuition is paid at the first lesson for the entire session, however payment arrangements can be made. Scholarships or funding assistance programs may be available upon request. You may ask for the scholarship application from the office. Scholarships are limited and on a first come, first served basis. For information on other funding assistance programs please call our office.

Lesson Policy

Saving Grace Therapeutic Programs is here to help individuals with special needs experience life to the fullest and offer a unique opportunity for human empowerment, connection, healing and joy through equine assisted activities. In order to maximize the number of clients we can help, and offer the best programs possible, we have a few policies in place to aid in our program running more smoothly. We understand that sometimes there are extenuating circumstances and we try to be as considerate of your situation as possible.

- Therapeutic Riding or Equine Assisted Lessons are $40 per lesson for individuals
- Lesson tuition is due on the first date of service
- Lessons should be paid for per session *(8 weeks) arrangements may be made for bi-weekly or monthly payments with director permission
- Students should arrive 5 to 10 minutes prior to lessons to ensure they are ready and prepared to begin
- If a student is going to be late, please contact the instructor/director in ADVANCE so she can make arrangements to shorten or reschedule the lesson
- If a student will be absent, please notify the instructor immediately. We ask that you give at least a one day notice if possible. When given a one day notice, the instructor will try to make arrangements to reschedule the lesson. However, if the instructor is not given one day advanced notice, Saving Grace reserves the right to cancel the lesson and retain the fee. In the case of extenuating circumstances, the farm may make an exception and grant a make-up, but those decisions will go through the Director.

We will attempt all means necessary to ensure you or your child every opportunity to participate in the programs here at Saving Grace. If a paid lesson is canceled Saving Grace will hold make-up days, try to reschedule, or we will offer a credit toward your next session. Scholarshipped lessons will be made up as the schedule allows. We simply ask that you offer us as much consideration for our time and programs as we in turn offer you and your family. At Saving Grace, we try to emulate mutual respect and trust, and we hope that you will see this, as you participate in the wonderful programs we have to offer here.

Thank you for your participation in the programs at Saving Grace Therapeutic Programs

Janna Griggs
Executive Director
