Dear Parent/Guardian or Participant,

The volunteers and staff at Saving Grace Farm (SGF) look forward to having you participate in our programs. SGF provides therapeutic equine activities to individuals, families, and groups, with all types of special needs and differing abilities. In order to participate, you must complete the attached application forms and send them in to SGF. Please note that one of the forms is a physician's form. SGF requires all applicants with *diagnosed special needs* to obtain a physician's form and statement clearing the participant of any contraindications that might restrict the client's participation in our programs. This packet *must* be completed before the client can *ride* in the program.

*The farm will be required to regretfully decline the client for riding, for the safety of the client, staff, and volunteers if:

- The physician does not clear the client for riding.
- Any form is not completed by the *authorized* individual (i.e. parent, guardian, or physician).
- The student has any condition which could be considered a contraindication (riding would be harmful).
- The instructor finds, that for *any* reason, it would be unsafe for the student, volunteers, staff, and/or horses to accept the client into the program

***Please Note:** Students may still be able to participate in ground and classroom activities, even if they are unable to ride. We have many other activities that have a powerful therapeutic effect on individuals. However, if the SGF staff finds that the client may be a danger to themselves or others while on the premises of the farm, the staff reserves the right to remove the client from ground activities as well. *Any client on the premises of the farm must complete a liability release form.* SGF reserves the right to decline/remove a client from activities due to safety or behavior at any time during their relationship with SGF.

Once SGF has received the application, we will schedule an evaluation with you/the client and then consult with you to determine a lesson time for the student each week. Class times and sizes are limited. If we cannot fit the student into the current schedule, they will be placed on a waiting list and we will contact you as soon as an opening becomes available. We will consider those on the waiting list first when scheduling the next session.

Lessons at SGF last approximately 30 to 60 minutes and occur in sessions of 6-8 weeks, with lessons occurring once a week. Client price for Lesson Tuition is \$50/week paid monthly. Sessions are scheduled Spring, Summer, and Fall. Please check our online calendar or ask our staff for the schedule. Actual cost of lessons is approximately \$115/week, however we do fundraisers throughout the year so that we may provide scholarship for the difference. We ask that tuition is paid by the last week of the prior month, however payment arrangements can be made.

Scholarships or funding assistance programs are available upon request if you are unable to pay the cash pay price.

You may ask for the scholarship application from the office. Scholarships are limited and on a first come, first served basis. For information on other funding assistance programs please call our office.

Lesson Policy

Saving Grace Therapeutic Programs is here to help individuals with special needs experience life to the fullest and offer a unique opportunity for human empowerment, connection, healing and joy through equine assisted activities. In order to maximize the number of clients we can help, and offer the best programs possible, we have a few policies in place to aid in our program running more smoothly. We understand that sometimes there are extenuating circumstances and we try to be as considerate of your situation as possible.

- Therapeutic Riding/Equine Assisted Lessons are **\$50 per lesson for individuals**
- Lesson tuition is due on the first date of service, and then the last week of the month prior for following months thereafter.
- Lessons should be paid for per month *(4-5 weeks) arrangements may be made for bi-weekly payments with director permission. After the 5th of the month, **late payments will incur a \$20 late fee.**
- Students should arrive 5 to 10 minutes prior to lessons to ensure they are ready and prepared to begin
- If a student is going to be late, please contact the instructor/director in ADVANCE so we can make arrangements to shorten or reschedule the lesson. Lesson times will not go over for late arrivals.
- If a student will be absent for illness or emergency, please notify the instructor immediately. We ask that you give at least a 24 HOUR notice if possible. When given a 24 HOUR notice for a valid reason, the instructor will try to make arrangements to reschedule the lesson. However, if the instructor is not given 24 HOUR advanced notice, or the illness/emergency is not excused by the Director, Saving Grace reserves the right to cancel the lesson and retain the fee. In the case of extenuating circumstances, the farm may make an exception and grant a make-up, but those decisions will go through the Director.
- If a lesson is canceled by Saving Grace, we will hold make-up days, or we will offer a credit toward your next month of lessons.
- Students must wear closed toed shoes. No crocs, sandals, or flip flops. Pants are recommended to prevent saddle rubs.

We will attempt all means necessary to ensure you or your child every opportunity to participate in the programs here at Saving Grace. We simply ask that you offer us as much consideration for our time and programs as we in turn offer you and your family. At Saving Grace, we try to emulate mutual respect and trust, and we hope that you will see this, as you participate in the wonderful programs we have to offer here.

Thank you for your participation in the programs at Saving Grace Therapeutic Programs

Janna Griggs
Executive Director
